June 22, 2018

Dear Contestant,

Because some participants cannot connect the Contest server still now, we decide to ==extent Alpha Test from 6/22 to 6/27 24:00(GMT+8)==. We are disposing all server problems as soon as possible now. If you have sent us your problems but we do not reply in 3 days, please kindly let us know. And please be sure that you follow the latest news and connecting guideline, link: Guidline of connecting CIC machine.

Sorry for any inconvenience it may cause.

Here are some frequency problems:

1. Please use the IP, which are signed when you registered. If you want to change or add IP, please modify via us.

2. For VPN request, please make sure you follow the latest guideline. If still failed, please use other machines to try it. And If you didn't apply VPN at first, you cannot use VPN to log in. Or you should apply it through us.

If you have any problem, please contact us. Thank you.

Sincerely yours,

The Organizing Committee
